EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Artz on April 26, 2006.

The application has been amended as follows:

In Claim 1 line 17: The term "different performance characteristics" has been replaced with— different performance characteristics ; and wherein said elongate sections are interchangeable. —

In Claim 14 line 15: The term "replaced as desired" has been replaced with— replaced as desired and wherein said elongate sections are interchangeable. —

In Claim 27 line 18: The term "replaced as desired " has been replaced with— replaced as desired and wherein said upper elongate section and said lower elongate section are constructed of different materials such that they provide the handle section with different performance characteristics and wherein said elongate sections are interchangeable. —

Reasons for Allowance

The prior art does not show or suggest a lacrosse stick head wherein the handle has interchangeable sections and wherein said interchangeable sections are constructed of different materials such that they provide the handle sections with different performance characteristics in unison in addition to the other elements of the structure claimed.
